

Individual Show Sponsor Benefits

Our generous sponsors of individual shows make it possible for us to present diverse artists, performances, and experiences on stage for our community. Are you passionate about live theater? Excited to see that your favorite Northwest band is performing at the Power House? This is your opportunity to visibly show your support for a performance that piques your interest.

Choose a show from our published calendar of events, or let us know if you'd like to learn more about performances that have not yet been announced and be involved from the beginning (A signed non-disclosure agreement is required).

Sponsorship helps keep our shows affordable and accessible, and is a visible way for you to support the performing arts in our community.

Benefits vary based on availability and level of support and may include the following:

- Name/logo included in program or insert
- Verbal pre-show sponsor acknowledgment
- Mention on social media posts re: chosen performance
- Name included in show-specific e-mails (4,000+ subscribers), press releases, and posters
- Name included in pre-show slideshow displayed before all Power House presented performances
- Opportunity for additional on-site promotion during Little Watts events
- Opportunity for your employees to volunteer during the show
- Complimentary tickets to the performance
